

WELCOME BACK TO SCHOOL!

Important Information for Parents and Students:

8:00

It is **imperative** that parents **do not drop off children at school before 8:00**. In an effort to limit the number of people in the school building, all doors will be locked until 8:00. Parents and students will need to remain outside until the doors are unlocked. When doors are opened, the students will proceed directly to their classrooms where their temperatures will be taken. Parents will need to remain outside.

Latchkey Update:

Latchkey will now be located in the Upper building. Parents can drop off and pick up students at the south door located between the 2 buildings.

The cost will remain \$2.50 per hour per child.

Hours: Morning 7:00-8:00 Evening 3:15-5:30

Please notice the change in the evening closing time.

We will be unable to use the school drinking fountains for sanitation reasons, so we are asking the students to bring a personal water bottle for use during the school day. The students will be allowed to use the filling stations at the fountains during designated times during the day.

Coming Soon!

The Parent Group will be holding a personalized water bottle fundraiser!

Bussing Information

Bussing routes will continue as last year at normal student capacity. Students are not allowed to have food or drinks on the bus. Children will sit with their siblings when possible. Face coverings are recommended, but not required.
