

St. Patrick School Kindle Agreement

2020-2021

Providing Kindles for use by our students is an exciting adventure. Certain guidelines are necessary to protect the Kindle and ensure that this technology serves as an effective instructional tool.

Students and their parents/guardians must agree to the following:

1. The student shall not remove or alter any labels attached to or displayed on the Kindle.
2. The student agrees to handle the Kindle carefully and protect it from potential sources of damage.
3. The Kindle is the property of St. Patrick School. If a student withdraws from the school prior to the end of the school year, the Kindle is to be returned to school officials by the student prior to withdrawal.
4. So that we do not experience technical issues with the Kindle, we ask that you do not attempt to download any information to the Kindle. Any attempt to download other books/apps onto the Kindle will result in that student being unable to use the Kindle in the future. Also, any attempt to “deregister” the Kindle and “reregister” it to another account will result in that student being unable to use Kindles in the future.
5. The student agrees to take care of and to keep the Kindle safe and secure. The student will assume the same risk of loss by theft, destruction or damage as with any textbook. The student will be responsible for the replacement of any Kindle that is lost, stolen or damaged.

My child and I have read and agree to comply with these guidelines.

My child and I understand that a failure to comply with these guidelines may result in my child not being able to use a Kindle.
