

SCRIP

Interested in tuition incentives?

Consider Scrip!

Scrip is a gift card program that is so easy to use!

How much do you spend on groceries? How often do you put gasoline in your vehicle? Everyone needs these things frequently. Why not pay with a gift card that earns tuition credit! The school periodically receives statements, and the fees that you have earned will be deducted directly from your monthly tuition statement.

You can purchase a gift card to grocery stores, home improvement stores, restaurants, department stores, gas station, entertainment... there are over 700 participating businesses. For a list of the most popular **700** businesses, go to www.shopwithscrip.com/Shop/Product/Browse#?saved.

Getting the cards is easy. We stock some in the office at St. Patrick Church Rectory. If we do not have it, we can order it for you in a couple of days. You can order them online too.

Tackling Tuition with Fundraising

If you attended a parochial school when you were younger, or your kids do now, you already know the benefits: strong traditions, personal attention, and a focus on religious principles. A good religious education is important to many families, but high tuition costs can make it a challenge to afford.

To help with these costs, your school probably holds traditional fundraising events. While bake sales, auctions, and product fundraisers are all popular, you could see your earnings soar by starting a Scrip program. Scrip is a powerful fundraising tool that enables families to raise funds just by doing their everyday shopping – no selling required!

Scrip Makes Sense for Parochial School Parents

When families buy Scrip gift cards through your school's Scrip program, they'll receive the full value of what they paid, and they'll earn an immediate rebate percentage of what they spent – typically **between 1.5% and 14%**, depending on the retailer. Imagine taking your kids back-to-school shopping at Old Navy and earning 14%! You can use the proceeds to supplement the school budget, and families can receive credit for their earnings toward tuition and other expenses.

The tax code prevents other kinds of fundraisers from sharing proceeds with families, but not **Scrip**. That's a huge incentive for families facing a tuition bill on top of other school expenses like uniforms, field trips, books, and supplies.

Scrip fundraising gives parochial school parents a way to make a dent in those expenses by shopping wisely and using Scrip to pay for their household spending. Check out our potential earnings calculator and see for yourself how fast it can add up.

Why Parochial Schools Love Scrip

Your organization's administration will love the benefits that come with a Scrip program:

No selling unwanted or unnecessary products to family and friends.
Earnings add up! A single family can generate \$600 to \$1,000 or more per year.

Everyday family purchases become consistent earnings for your school.
Families are motivated to earn tuition credit.

Use Scrip Every Time You Shop

We offer Scrip for over 700 of the most popular stores used by school families, and we're adding new ones every year. Families can use Scrip to pay for gas, groceries, restaurants, home improvement, clothing, and entertainment.

Plus, families can:

Place orders on ShopWithScrip.com. Your one time registration will require
